WHY GEBERIT AND TWYFORD FOR YOUR NEXT DEVELOPMENTS

The recent COVID-19 pandemic has impacted us all at some level, whether that has meant developments being put on hold, product availability or a need try to cut costs.

At Geberit, we understand this. That's why we work hard to deliver innovative solutions to suit every level of aspiration and affordability. The Geberit Aspire and Select Collections include a wide range of ceramics which combine outstanding design with behind-the wall functionality to provide you with a complete bathroom solution.

The beauty of Geberit behind and in-front of the wall together, is that we have everything covered. From acoustically optimised pipework to robust, wall-hung frame technology, ingenious shower toilets, elegant flush plates and advanced air purification to the latest ceramics, we have the breadth of choice to meet every budget. Whatever the space, whatever the price point, we have a smart, ergonomically designed solution to suit.

OUR BUILT-IN COMMITMENT TO DEVELOPERS

At Geberit design and function come together beautifully to create a whole new way of reimagining bathroom space. Whether your development has design minimalism or maximum comfort, we make the dream a reality.

Our passion for design and technology delivers contemporary, high quality solutions that enhance living environments, increase buyer appeal and add value to every development.

As a European market leader in sanitary technology and innovation, we apply our vast Know-How and over 150 years of experience to everything we do. With our continuous focus on research and development, we introduce pioneering and fully integrated products to market year after year, complemented by unrivalled availability, delivery, training and after sales support.

By listening to our partners, nurturing relationships and thinking ahead, we are able to constantly update and develop our offering, creating user-friendly, globally renowned solutions and building lasting partnerships founded on mutual trust and values.

KNOW-HOW

We bring almost 150 years of Know-How to every new bathroom, with every feature carefully crafted and designed to optimise buyer appeal.

INNOVATION

With unrivalled behind the wall technology and inspirational new ceramics, we offer the complete bathroom solution – the perfect balance of elegant design and outstanding function.

PARTNERSHIP

We work closely with you to add value to every development, with industry-leading logistical support, training, product availability and delivery.

RELIABILITY

Our total focus on performance means our products combine safety and durability with ease of installation- backed by a 2 year WC warranty.

QUALITY OF LIFE

From Rimfree® technology and stylish flush plates to exceptional water economy, we make life easier, more comfortable and more liveable

SPACE SAVING STYLE

The demand for multiple bathrooms and spacious living environments makes the intelligently hidden benefits of Geberit Duofix the perfect fit for the housing sector. Our wall-hung technology has transformed the look of the modern bathroom, with inspirational space-saving Geberit ceramics backed by strong, supportive frames securely bolted to the floor and neatly concealed behind the wall. Even in confined areas such as under windows or sloping ceilings, this ingenious blend of design and function provides the perfect solution. While simple installation and tool-free maintenance provides reliability developers can totally depend on.

- Frames in various heights, depths and functionalities
- Suitable for toilets, washbasins, urinals and Geberit electronic tap systems
- Robust performance - Geberit Duofix toilet is tested to withstand 400Kg of weight
- Easy installation with only four fixing points
- Pre-wall fixing brackets with adjustable 90° drainage bend included
- Spare parts availability guaranteed for 25 years

VISUAL ELEGANCE, **INNOVATIVE** FUNCTIONALITY

GEBERIT FLUSH PLATES

Geberit flush plates provide the definitive finishing touch for on-trend bathrooms, combining visual elegance with innovative manual, electronic or pneumatic actuation and effortlessly stylish designs, colours and finishes. Made to last in durable, easy to clean materials, they combine aesthetics with advanced functionality, such as a hidden odour extraction unit and touchless technology. Rectangular, round, touchless or totally bespoke, we have the designs to shape a new vision for the bathrooms on your next development.

THE ASPIRE COLLECTION BY GEBERIT

The Aspire Collection is the new name for our premium offering, formerly known as the Geberit Bathroom Collection. This exclusive collection includes well-known ranges such as Xeno², iCon and the Geberit AquaClean shower toilet, as well as introducing the innovative Geberit ONE – a pioneering, comprehensive and fully-integrated bathroom solution.
