## GEBERIT INSTALLER TRAINING

Geberit plumbing and sanitary systems have proven themselves over many years and are renowned for their ease of installation. At Geberit, we realise the importance in providing training on our products to ensure confidence in installing and using them both inside and outside the wall, which is why we make it such a fundamental part of our day to day operations.

We offer a number a number of training days throughout the year which are held in both Warwick and Dublin.
